

## **Larry Dore Member Of The Year Award Nomination Guidelines**

### **ELIGIBILITY**

- The Larry Dore Member of the Year Award recognizes a single Auxiliary member's outstanding contribution to the Auxiliary, the plumbing-heating-cooling industry and the community. This may include work at the local, state or national level.
- Any Auxiliary or National Auxiliary member in good standing for the past two years may nominate another National Auxiliary member.
- Only those members in good standing for the past two years will be eligible for nomination.
- Current National Auxiliary Executive Officers become eligible for nomination for the Larry Dore Member of the Year Award one year after they have left that office.
- Any Auxiliary member who is selected as the Larry Dore Member of the Year cannot be nominated a second time.

### **JUDGING**

- The qualifications of each nominee are judged according to merit, level of industry involvement and community contributions.
- InSinkEerator and the Auxiliary have no involvement in the judging activities. An independent panel of judges will review nominations.

### **AWARDS**

- The Auxiliary member selected as Larry Dore Member of the Year will receive a cash award and a commemorative plaque. The First Runner-Up will receive a cash award and certificate.
- InSinkEerator sponsors both awards.
